MONTH'S TRIAL FREE.

Breathe Hyomei Three or Four Times Daily and Be Cured of Catarrh.

Clarke & Co., one of the most reliable business firms in Paris, have seen many instances of the remarkable power of Hyomei to cure catarrhal troubles and other disorders of the respiratory organs.

Results in this treatment have given them so much confidence in Hyomei that they will give a month's trial with the positive understanding that if at the end of that time a cure is not effected or enough relief gained to warrant a continued use of the treatment for a while longer, the money will be refunded.

Hyomei is the only treatment for catarrh that has ever been sold under a "no cure, no pay" plan, and the only one where a month's trial treatment is free unless it cures.

Hyomei is not a pill or a liquid. Just breathe it through the neat inhaler that comes with every outfit, and benefit will be seen from the first day's use. Breathe in this way, the health-giving Hyomei penetrates to the minute air cells of the lungs, and drives catarrhal germs and poisons from the system.

The complete outfit costs but \$1, and extra bottles of Hyomei may be obtained for 50c.

Remember that if Hyomei does not cure you after a month's trial, Clarke & Co. will refund your money and the treatment will be absolutely free.
